Co-located exhibition :

Officially supported by :

Jointly organized by :

Meet decision-makers, gain access to buyers and get orders placed at CorruTec ASIA

Hot on the heels of the first edition last year, the upcoming CorruTec ASIA in 2023 will be the platform of choice for your corrugated packaging technology and solutions to gain visibility with decision-makers who represent a diverse range of sectors. Jointly organised by the Thai Corrugated Packaging Association and Messe Düsseldorf Asia, this industry-led exhibition ensures you engage and connect with the right audience.

Benefit from the fast-growing corrugated packaging market!

Indonesia, Thailand, Vietnam, and the Philippines, contribute more than **30% of corrugated packaging globally**

Asia-Pacific represents the **fastest-growing corrugated packaging market** worldwide

Southeast Asia's demand for **corrugated packaging will continue to rise** owing to rising demand by end-use industries such as medicine, food, and consumer durables

E-commerce industry continues to be **primary growth driver** due to packaging reliability. Thailand's retail e-commerce market is expected to reach **4 trillion baht in 2025**

TOP reasons you should be at the 2nd edition of CorruTec ASIA in 2023!

As business confidence continues to recover across the globe together with economic momentum, here is how your participation can benefit your business:

Connect with the right prospects and qualified leads

Deepen users' knowledge through demonstrations, presentations and discussions

Develop your **network** in the region and **gain market insights** on Thailand and the region

Position your brand and business as an **industry leader in sustainable corrugated solutions**

Increased environmental awareness is driving demand for sustainable packaging material.

Biodegradability
Compostable **Recyclable**
Increasingly lightweight
Sustainability
Direct printing capabilities
Customisable **Design flexibility**
Re-usable

Showcase your sustainable solutions at CorruTec ASIA 2023!

MAXIMUM VISIBILITY - co-location with synergistic packaging and printing event - **PACK PRINT INTERNATIONAL**, and others including; plastics and rubber exhibition **T-PLAS**, wire, cable, tube and pipe exhibitions **wire and Tube Southeast Asia**, foundry and metallurgical exhibitions **GIFA** and **METEC Southeast Asia**

A look back at 2022

80 exhibiting brands presented products and technology serving the corrugated packaging industry

4,111 visitors included corrugated machineries / accessories / products in their product interests

(based on combined post show report data - CorruTec Asia and PACK PRINT INTERNATIONAL 2022)

Who should exhibit - the platform of choice to meet buyers from Thailand and the Southeast Asian region, for equipment suppliers, machinery and solution providers of:

- + Corrugated board making machinery and equipment
- + Converting machinery and equipment
- + Consumables, supplies and accessories for printing and corrugated production
- + Base paper for corrugated board
- + Paper/paperboard products making machinery and equipment
- + Software / Automation
- + Material handling
- + Waste handling
- + Corrugated, honeycomb, paper-based products
- + Related services

Who you will meet

Corrugated manufacturers

Sheet manufacturers
Box manufacturers

Package converters

Folding carton converters
Rigid carton converters

Brand owners

Industry verticals: F&B, FMCG companies, transport & logistics, electrical appliances & electronics and more.

Designers

for corrugated box & related packaging
