

Drupa Song 24 – Lyrics

Verse 1 (Maria)

There's no need to hide no more, (hide no more)
No need to kick in an open door, (open door)
I know what' you've been waiting for, (waiting for)
Come join me

Verse 2 (Gerald)

Our world can be so colorful, (colorful)
A kaleidoscopic festival, (festival)
The stage is set, the curtain falls, (watch it fall)
Can you feel it?

Chorus (Both)

**Let us create the future of print and design
Invite the world and let colors shine
Let's sync our visions and have a good time
Drupa 24' will treat you right**

Postchorus (Maria & Gerald abwechselnd)

**Come fly with me
Unite with me
I know things that you'll want to see
Aim high with me
Ally with me
Drupa's back and baby, so are we**

Instrumental (Oh's Maria und Gerald)

Oh oh oh ...

Verse 3 (Maria & Gerald abwechselnd)

All that we've been standing for, standing for
Is hiding right behind these doors, -hind that door
Let us gather `round once more, ('round) once more
Drupa '24 (**gemeinsam**)

Verse 4 (Maria & Gerald abwechselnd)

The city where our dreams ignite, (dreams ignite)
Ideas will shine both day and night, (shine so bright)
A happening thats worth the flight (worth the flight)
We need you (**gemeinsam**)

Chorus (Both)

**Let us create the future of print and design
Invite the world and let colors shine
Let's sync our visions and have a good time
Drupa 24' will treat you right**

Postchorus (Maria & Gerald abwechselnd)

**Come fly with me
Unite with me
I know things that you'll want to see
Aim high with me
