

Daetwyler Graphics presents latest developments during virtual Drupa from April 20th to 23rd

Customers and interested parties are cordially invited to find out about the latest developments from Daetwyler Graphics at the virtual Drupa from **April 20 to 23**. We will be present in the virtual Drupa showroom and will ensure that "trade show feeling" arises by means of live-meetings. Participation in the Drupa is free of charge for visitors!

The following Drupa highlights are the focus of the planned live demonstrations:

- Turning and polishing of gravure cylinders with the all new **CFM Econo 1412** – Effortless frontloading of hollow cylinders without a compromise
- Proving our **process competence**:

HelioBrush® - The new art of polishing
HelioGrind® HG+ - Grinding stones „made by Daetwyler“

We are here for you!

1. Visit us at virtual.drupa.com
2. Take part in our **virtual live-demonstrations**
3. Make an appointment with us for **individual meetings** either thru the virtual.drupa APP or via E-Mail.
