

CUSTOMIZED NUMBERING-BOX SERVICING

...from Experts for Experts!

Individual packages can be modularly and precisely adapted to individual requirements, from a one-time overhaul to a tailor-made service agreement:

- ✓ Individual support
- ✓ Preventive maintenance
- ✓ Specific overhaul
- ✓ Storage & Logistic-Management

Benefits and significant advantages are:

- Numbering boxes are always in a perfect condition
- Reduction of setup- and machine down-times
- Less efforts and costs for maintenance and cleaning
- Reduction of storage costs
- Clear planning overview and calculable cost budget
- Just-in-time delivery

These services relate to the full range of our product portfolio - from simple, purely mechanical standard designs to complex and motor-driven numbering boxes.
