

# KODAK PRINERGY On Demand PLATFORM

## 10 Reasons to adopt PRINERGY On Demand

- 1** Implementation is fast and cost effective with PRINERGY's fully integrated system and broad range of connectivity.
- 2** Automate up to 70% of Prepress tasks to eliminate mistakes while giving skilled staff time to focus on high value work.
- 3** Keep critical business data safe with 24/7 security monitoring and redundant data back-up on the Microsoft Azure platform.
- 4** Optimize performance and maximize uptime with PRINERGY'S reliable workflow platform that is ALWAYS ON and ALWAYS ACCESSIBLE.
- 5** Increase or decrease capacity based on business changes using our flexible and totally scalable solution.
- 6** Unearth new sources of savings and make informed business decisions using the power of your own historical data.
- 7** Eliminate expensive capital investments in hardware upgrades and changeovers.
- 8** Understand your true daily operating costs with subscription-based pricing and full transparency to your workflow.
- 9** Securely access and administer your workflow remotely using our web and analytics portal.
- 10** Improve bottom line profitability by increasing productivity and capacity without adding employees.
