

Photopolymer Plate Processing Equipment

3ES-PROII-WF

3ES-PRO-WF is designed as inline photopolymer flexo printing plate washing, rinsing and drying equipment and suitable for processing high-quality plates,

3ES-PRO-WF is the first and only successful inline plate processor for water wash flexo plates in the market with impressive washing result and plate processing capacity.

The processor is equipped with a state of art filter, which has an ecological friendly and cost effective working qualities. The state-of-art filter removes polymer residue in washing solution and the clean washing solution is recirculated to washout tank for reuse.

Available for the plate size: 635x762 mm, 920x1200 mm and 1060 x 1530 mm.

- * User-friendly 7" Graphic Touch Screen
- * PLC controller
- * 20 channels program memory for different plate process conditions
- * Easy to operate and maintain
- * Capable of processing both analogue and digital plates
- * Pre-wash for digital plates (LAMS-layer cleaning), main washing, rinsing and pre-drying sections
- * Stable plate transport by pin bar
- * Round and flat brushes combination for excellent washing result
- * Automatic water and detergent replenishment
- * Stainless steel washout body and robust system
- * Suitable for any thickness of the plates 0,6 mm to 7 mm
- * Integrated heater and temperature control according to plate type/brand
- * Permanent self-adhesive carrier board for small size of the plate
- * External puncher

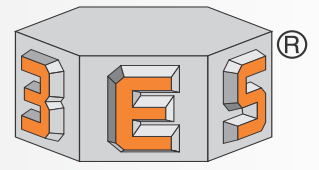

high quality performance

innovative ideas solutions

excellent view productivity

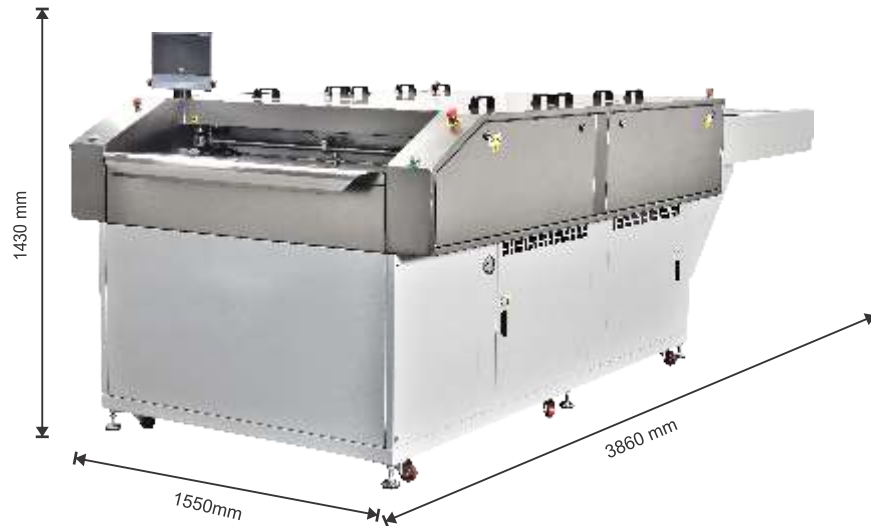

Photopolymer Plate Processing Equipment

3ES-PROII-WF

Technical Data

Product Name	3ES-PROII - WF
Plate Thickness	0,6 mm to 7.0 mm
Max. Plate Width	920 mm (36.2")
Max. Plate Length	1200 mm (47.2")
Minimum Width x Length	635 x 762 mm
Exhaust	Ø100 mm
Compressed air	6 bar minimum
Power	9.0 kW 400 V AC (3 Ph/N/PE)50-60 Hz-16A
Environmental Requirements	Temperature : 15° C to 30°C Humidity : 40% - 60%
Crate Dimension (Approx.)	1650*2500*1800 mm
Weight (Approx.)	1000 kg net 1273 kg gross
Recommended Accessories	Water Softner (S)
